

Holy Week

As we journey through Holy Week, one like we've never known before, we might still wish to take some time to reflect on its key moments, perhaps in a different way to usual.

Palm Sunday ~ 5th April

We remember Jesus' triumphant entry into Jerusalem

Holy Thursday ~ 9th April

The day of the Last Supper when Jesus instituted the Eucharist & washed the feet of the disciples

Good Friday ~ 10th April

The day we remember the crucifixion of Jesus

HOLY WEEK

Holy Saturday ~ 11th April

A day of waiting in hope

Prayer

Lord Jesus, this Holy Week feels very different as we keep our social distance from each other. May we never forget that we are not on this journey alone and that you are there to help us every step of the way, often through the kindness and concern of others.

Knowing that Holy Week always leads to Easter, may we be people of hope in these difficult times.

Lord, we remember in a special way those who are suffering with the Coronavirus, those who care for them, and those who are in positions of authority and have to make difficult decisions.

May we support them in every way we can.

Amen.

Easter Week

The Easter message is always one of hope. This year, more than ever, we need to take this message to heart and be consoled by the words of the risen Jesus – “Remember, I am with you always”.

Risen Lord,
Your resurrection is a sign of hope for us
and you have said,
“Peace I leave with you, my peace I give you”.
We ask your blessing of hope and peace on us
and all humanity at this time.

May we be messengers of hope and peace
to those around us, especially to those who are suffering,
those who are anxious and those who are feeling alone.

May you lay your healing hands
upon all those who are in need at this time. Amen.
